Spouse appearance

7th house and sign in it stand for partnership and marriage rather partner or spouse which is ruled by *7th lord*.

Make sure that a RASHI indicates particular surroundings, principle attitude and inanimated objects while GRAHA shows (devatas/jeevas) ie. living beings, eg. father, mother, husband, wife etc.

Hence spouse and his/her overall physique is explained by strength, avastha and sambandha of 7th LORD and KARAKAS. For female charts Jupiter and Sun are significators whereas in male charts Venus and Moon are karaka for wife.

Physique, appearance and gestare of spouse will be shown by stronger between 7th lord and karaka. But if other grahas' occupation cast an important effect on the appearance of spouse. So as the 8th house (in D1 and D9) which is 2nd from 7th and specially shows FACE of the partner.

If there is natural benefic in 8th house without malefic drishti then spouse will have beautiful and charming face resemble to involved planet. Occupation is influential than drishti and drishti is significant than ownership.

See the sambandha (drishti/parivartan etc) it makes with other grahas. First ascertain whether graha is natural benefic or malefic, and have mascaline or feminine nature. Here under are brief description of physical feature of grahas.
