Why Use Navamsa for Marriage prediction

Navamsa chart is the most Important Divisional Chart. If Rashi chart is the Main Tree, Navamsa chart is the fruit of that Tree. Everything We can Judge from Navamsa Kundli but still Marriage is specially checked from Navamsa. Dividing any Rashi or sign by 9 part, we can constitute Navamsa chart. 9th house is the house of Dharma or Fortune. In Hindu religion Marriage is considered to be the Dharma or duty of highest order. It is a Union of Atma or Soul. That is why we try to predict Marriage from Navamsa chart.

How to Read Navamsa Chart or Navamsa Chart reading technique

I will give you a small idea about How to Read the Navamsa chart. It is said that Navamsa acts as a refinement. Any planet in exaltation or friendly sign or in Own sign may not give you Auspicious Result as per expectation if it occupies a debilitated or enemy sign in Navamsa. Similarly a Planet in debilitation or enemy sign may give you Auspicious Result than expectation when it occupies a Own Sign or friendly Sign in Navamsa. So it is very important to check the Strength of the Planet in Navamsa chart while reading Horoscope. If any Planet is in same sign in Ras Chart or D1 chart and also occupies the same sign in Navamsa Chart or D9 chart, it is known as vargottama Planet. Such Planet becomes extra Strong and can deliver very Good result if it is beneficial for your Ascendant. In my Practical experience i have seen that a Planet in own Navamsa or Vargottama Navamsa gives Auspicious Result. There are

some Auspicious Navamsa for each Sign. Any Planet within that particular degree range of any Sign becomes extra strong. These are known as Pushkar Navamsa. You can read more about Pushkar Navamsa and the degree rangefrom My Article. There are many more technique which we should give due importance during Navamsa chart reading.

This kind of Marriage can be referred to the Bal Vivaha of earlier days. Sun is the main signifying Planet.

How to know about future husband or Future husband prediction through astrology

We, Astrologers, often face this question from the unmarried girls " who will be my husband according to astrology or how to know about my future husband through astrology".

Mars is the significator of Boy Friend in case of female and Jupiter is the significator of Husband in Vedic astrology. So if Jupiter influences the 7th house or 7th lord, it is very beneficial. The husband will be man of good quality, wise, well educated and spiritually inclined. Jupiter in 8th house is also not bad if there is no other affliction. 8th house is called the mangalsthan or the longevity of husband. So if a benevolent planet like Jupiter is placed in 8th house, the longevity of marriage increases. If saturn is placed in 7th house or in some sort of relation with 7th lord, the future husband will be very practical, hard working and not very romantic person.If you want to Know who will be my husband according to astrology, please understand that Venus and Mars of Male and female chart should make some sort of good relation. For example Mars is placed in Aries sign in a female chart and if that women meets a man who has Venus in Aries, both of them will create bonding very easily and will be attracted to each other. The Moon Sign and Ascendant also plays a role here. The Moon sign of a person if matches with Ascendant sign of another person, they can be attracted. Future husband prediction with astrology is a very difficult task and needs complete checking of Horoscopes. As per Jaimini astrology, If the Upapada Lagna of one person matches with the Atmakaraka planet of another person, both of them may also get attracted.

Age of Spouse from Astrology

If we want to know Age of Spouse through astrology, exact age can not be predicted. But There are several factors which influence Age of Spouse in Astrology. 7th house in Rashi chart indicates the group we involve or interact with. If the 7th Lord is Aspected by Saturn or saturn is Placed in the seventh house of navamsa chart Spouse may be aged and matured. When we are talking about aged spouse, it means the age difference between wife and

husband will be more than normal. If Mercury aspects the 7th lord or placed in the 7th house, Age of spouse will be less and younger spouse can be predicted.

As per Jaimini astrology, If Saturn is placed in the 7th house from Atmakaraka Planet, an elderly spouse can be predicted. Here Elderly means age gap is more than normal. In the same way if Mercury is posited in the 7th house from Atmakaraka planet a younger spouse can be predicted.

The Primary house for marriage is 7th house from Lagna. This is not only House of Marriage but also responsible for relationship in our Life. For example if 7th house or Lord is associated with 8th house or 12th house or their lord it can give extramarital affair also.Benefic Planet in 7th house will promote a healthy relationship between husband and wife. But any affliction to 7th house and its Lord is indication that the marriage of the person may suffer. Malefic Planet Like Mars, Sun, Rahu etc in 7th house are detrimental for Happy Marriage.

The next House which we need to see is the 8th house. 8th being the second from 7th, it indicates the sustenance of marriage and also the Maraka for Marriage. If there is affliction to the 8th house as well as to the 8th lord, Marriage can break. Planets Like Mars, Rahu, Saturn etc in 8th house is capable of ending a marriage.

- Know Whether you will have Love marriage or Arranged Marriage

Second House being the house of family is also need to be seen.

One more thing we need to see except these house and that is Upapada Lagna. Upapada Lagna is the Arudha Pada of the 12th house.

How to calculate the Upapada: Suppose a person is born with Aries Lagna and his 12th Lord Jupiter is placed in Cancer. From 12th house Pisces to cancer, the distance is of 5 Sign. So we will add 5 sign from Cancer and we will reach Scorpio Sign. Scorpio will be the Upapada Lagna for this native.

The second House from Upapada Lagna is very important for the Longevity of the Marriage. If there is Malefic Influence in the second house from Upapada Lagna, there is possibility of breaking the marriage and having a second marriage in astrology.

We have to see the Navamsa also when considering Marriage prospect. Navamsa Lagna, its lord and 7th house and 7th lord has to be seen. If there is affliction to the 7th house in Navamsa, there is high chance of breaking the first marriage. Like if Rahu-Ketu is placed in the 1-7 house of Navamsa, the chances of divorce increases to a great extent.

Planets Which can give Divorce and separation in Astrology

Without Divorce or separation from first marriage, we can not go ahead for second marriage in astrology. The main agents of Divorce or separation in astrology is Mars, Rahu, Sun and Saturn. Saturn is least malefic in case of Separation. Saturn gives pain and suffering but do not allow a person to break or come out of the relation. If Mars, Rahu or Sun is in 8th house it is a strong indication Separation. Presence of Malefic Planet like Sun and Rahu is Very detrimental for Marital Happiness. Some people will

be surprised to see the name of Sun. But yes, Sun is very much detrimental for Marital Happiness. You can read my detail article on the effect of 7th house Sun and the effect of 7th house Rahu to understand the result in a better way.

But I want to share my view with you that a Proper Kundali Matching can reduce the chances of Divorce or separation. But i repeat again and again in my every writing that astakoota Guna Matching is not the proper Horoscope Matching. You should read Astrologylover Guide to Kundali Reading for Marriage to understand Why Ashtakoot Matching is not proper and how to do a proper Kundali Matching easily which can ensure a happy Marriage.

The significator for Marriage Venus must be afflicted otherwise a strong Venus can save a marriage.

Planetary combinations for Divorce

Now lets understand some principles for Divorce and separation in Astrology.

- 6th house is the House of Enemy, struggle and Obstacles. It is also the 12th house or Loss of Marriage. 8th house is the house of hindrances and Maraka for 7th house. So

when 6th lord and 8th lord is present in 7th house, it is a bad Yoga for marital Happiness.

- Malefic Like Rahu, Mars and sun is placed in 7th house can indicate divorce. Mars in 7th house also creates Manglik dosh in the Kundli. If sun is placed in the 7th house, there can be ego clash among the partners.
- If the 7th Lord is Debilitated or afflicted or retrograde it also gives a indication of Bad marriage.
- The second House from Upapada Lagna is afflicted by Malefic Planets or debilitated planets can also harm the Marital happiness and bring an end to the marriage.
- When the 7th house in Navamsa is afflicted by Malefics like Saturn, Rahu/Ketu, Mars etc the chances of divorce is very high.
- The Significator of marriage venus when gets afflicted in Rashi chart as well as Navamsa Chart, there is strong indication of separation in astrology.

Second Marriage in Astrology

Now as we have understood the combination for divorce in astrology, we can check for second marriage in Horoscope. The second is marriage is seen from the 2nd house of Horoscope. 8th house shows Longevity. So 8th house from 7th house i.e. 2nd house will indicate the second marriage in astrology. For third marriage we have to consider the 8th house from 2nd i.e. 9th house from Lagna. So we need to see the condition of 2nd house and its lord in Rashi chart as well as in Navamsa chart. Some people consider 9th house as the house of second marriage in astrology because 9th is the 3rd from 7th. They consider the second spouse to be sibling of your first spouse. Some people also advice to use 11th house as the house of second marriage astrology. But

Eminent Astrologer Mr.Sanjay Rath is of the opinion that 2nd house should be used for second marriage and i have also found it correct in case of Practical example. Readers can try both 2nd, 9th or 11th house for second marriage astrology and see the result.

The 8th house from the Upapada Lagna will indicate the second marriage in astrology. So the 8th house from Upapada Lagna will show the Maya associated with the second spouse and relationship with the second spouse in astrology.

But we must remember one thing, even after the end of first marriage we can not neglect the 7th house. It rules over the physical organ of Sex which is an important aspect of any marriage.

Combination for Multiple Marriage in Horoscope

Divorce or Breakup of first marriage does not guarantee the second Marriage. So Lets see what are the combinations that can give second marriage in Astrology.

- Presence of Multiple Planets in 7th house. Specially Planets Like Rahu increases this chance.
- If there is malefic influence on 2nd house and 7th house, Multiple marriage can occur.

- Lord of 7th house placed in 4th house or lord of 9th house placed in 7th house indicates second marriage.
- Mars + Venus placed in 7th house and lord of 7th house placed in 8th house and Saturn posited in 12th house indicates more than one marriage in astrology.
- The Dasha-Antardasha must support a remarriage.
- When the 7th lord is Exalted and Vargottama there is chance of second marriage.
- If the 7th house is a Dual sign or 7th lord placed in a dual sign, more than one marriage can happen. Gemini, Sagittarius and Pisces are known as dual sign.

Conditions for Happy Remarriage

If the 2nd House from Lagna is strong and free from Malefic influence, it can give a Happy Second marriage.

When the 2nd house and 2nd Lord in Navamsa is strong and beneficially placed, it also gives a indication of good second Marriage.

The 8th house from Upapada Lagna has to be considered to for second marriage. when this house is aspected by benefic and its lord is well placed, it also shows a Happy second Marriage. We have to see the second house from this New upapada i.e.

the 9th house from the Upapada Lagna. There should not be any Malefic planets placed in 9th house from Upapada Lagna for a happy second marriage in astrology.

I have tried to give some information about how can we judge second marriage from Vedic astrology. But do not use them Verbatim. Astrological principles do not work in isolation. We have to see them considering all the factors like aspect, conjunction, divisional chart, Nakshatra, dispositor etc.

Role of Navamsa in Marriage Prediction by date of birth and Time

Navamsa is the Main divisional Chart which is checked for Marriage. Why Divisional Charts are used ? All the information can be obtained from Birth chart and no Divisional Chart can give the result which is not promised in main birth chart. But sometime we get confused and do not come into conclusion. In that Case Divisional charts help us to come to any conclusion. Navamsa is one of the most important Divisional chart in Marriage astrology. It has very high importance in Marriage date Prediction. You Should Check the below Points during Marriage age Prediction.

- The Antardasha of Navamsa Lagna Lord. Since Navamsa primarily deals with Marital matters, the rising Navamsa Lord Period has a Significant role to play in Marriage Prediction. If the Navamsa Ascendant is Aries or Scorpio, Mars period can give Marriage, if the Navamsa Lagna is Taurus or Libra, Venus Period can be predicted as Marriage Time and So on.
- The Lord of the 7th house of Navamsa Can bring Marriage in its Period. As 7th house deals with Marriage, Planets associated with 7th house of Navamsa will have a say in Marriage Prediction. 7th lord of Navamsa Should be given due importance in Marriage Timing in astrology.
- As per famous Astrologer Gayatri Devi Vasudev (Daughter of Great Dr. B. V. Raman) the 6-8 position of Mahadasha Lord and Antardasha Lord in Navamsa can bring a change in status- from Single to Married. Dasha Antardasha some time takes 2 to 3 years. In that Case we have to use Partyantdasha and transit effectively to know the Correct marriage timing in astrology. These are some basic Rules in vedic Astrology to predict the time of marriage. But before Marriage age prediction we must check whether the person is destined to get married or not. If different Planetary combination indicates that the person can not get married, There is no meaning in pointing time for marriage.

After proper Analysis of Horoscope when conclude that there is no denial of marriage, We should check the Vimshottari Dasha. There will be several Dasha when Marriage will be Possible. So we need to use Transit and one More dasha , i prefer Chara dasha of Jaimini, to know the exact Timing of marriage in astrology.

Timing of Marriage in astrology as per Jaimini Principle

Jaimini Sutras or Principles are little bit different than traditional vedic Principles. In jaimini Principle the planet which has got lowest degree is Called the Darakaraka Planet. Dara means wife or Spouse. So Darakaraka Planet signifies marriage and all sort of marriage related incidents. So We have to Check the planet which has got lower degree in the Horoscope or Darakaraka planet for predicting Timing of Marriage in astrology. In jaimini principle, we use Chara Dasha. If you use any astrology Software it will show you the Chara dasha along with Vimsottari Dasha. The House which are owned by Darakaraka Planet, the House where the Darakaraka Planet is Placed or the house where the Darakaraka Planet is Placed in Navamsa is very crucial for predicting marriage timing in astrology. For example, Suppose Sun

has got the lowest degree in your chart. So Sun will become the Darakaraka Planet for you. Now Sun is placed in Gemini in main birth chart and also placed in Libra in Navamsa. So The Charadasha of Gemini, Leo and Libra will be important to predict Timing of Marriage in astrology. Some time the 7th house from darakaraka Planet is also Needs to be checked for Marriage age prediction.

The Basic Astrological Rules were made thousands of year ago but they work perfectly fine even today. But with time and change of Society , We need to do some Modifications of these rules for getting Good result. That is why we must use composite approach and check a chart from various angles. Now I will tell you the composite Method using the above discussed principle to predict Marriage timing in astrology.

How to find Marriage date from Kundli – Marriage prediction by date of birth and time practically

Whenever We judge a Horoscope we need to Check all the aspects of the Horoscope. You need to see the Divisional Chart like Navamsa or D-9 chart and also we need to see the Dasha-Antardasha as well as Transit. In case of Dasha, I will always suggest to use at least two Dasha System like-Vimsottari and Chara dasha for Marriage timing in astrology. If you use Two Dasha System and Transit in your Horoscope effectively, you will easily get the answer of When I will get married from astrology. I always Use this composite approach of multiple Dasha and Divisional chart and you can see what my clients say about my Analysis.

First Step

- Locate Which Planets are Placed in 7th house and who is the 7th Lord.
- Locate Who is the 7th Lord in Navamsha and which Planets are Placed in Navamsha
- Locate Who is the 8th Lord in Birth chart as well as in Navamsha Chart. Also note down which Planets are placed in 8th house.
- Locate who is the Darakaraka planet. If you do not know about Darakaraka, it is a Jaimini Concept where the planet which is having the Lowest degree is considered as Darakaraka Planet. It is very important for Marriage time prediction.

Second Step

Now For understanding the Marriage Timing in Astrology, We have to see whether the person is having any kind of Yogas for Delay in marriage or Not. If the Saturn afflicts the 7th house and 7th Lord of birth chart or Navamsa or if the 8th lord afflicts the 7th house or 7th Lord in your birth chart or Navamsa chart, It can delay your Marriage. Even Higher Affliction can also deny Marriage and person may not get Married in entire Life.

So before proceeding we have to see whether you have timely marriage or a delayed marriage for knowing exact time of marriage.

Third Step

- Check the Vimshottari Dasha. Marriage can happen in the Dasha-Antardasha of 7th lord, Planets placed in 7th house of both main birth chart and Navamsa Chart.
- Check the Chara Dasha. Marriage can happen in the Dasha of the Signs owned by Darakaraka Planet or the sign where the Dara Karaka Planet is placed in D1 chart or the Sign where Darakaraka Planet is Placed in Navamsha Sign. Darakaraka Planet is very important for Marriage Timing in Astrology.
- Check the Transit. Jupiter and Saturn should be aspecting the 7th house or 7th lord or the Upapada Lagna in transit for Marriage. Upapada Lagna is a Jaimini concept and very important for Predicting Marriage and relationship in astrology. So it is also very useful for timing of marriage in astrology.

So we need to use Multiple Dasha System, Divisional Chart, Nakshatra of the Planets and also the Transit to get an idea about Marriage timing in astrology. Even he suggest to extend the use of Jaimini Karaka to Vimsottari Dasha.

Sometime even the Vimsottari Dasha of Darakaraka Planet can give Marriage and we should keep it in mind for marriage timing in astrology.

Rahu as a Planet

In western Astrology Rahu and Ketu are termed as North Node and South Node. Some time they are also called as Dargon head and Dragon Tail. As Per Hindu Mythology There was a Demon Known As Swarbhanu. During the time of Churning of Ocean he took the Nectar along with God but when Lord Vishnu became aware of it, he severed the Head. But as he has already taken few drops of Nectar he became immortal. The Head portion is known as Rahu and the Res of the body is known as Ketu. In Astrology they are actually two Points. The Orbit of Moon intersects with the Orbit of Earth in two places -one inter sectional Point is known as North Node or Rahu and the other inter-sectional Point is known as South Node or Ketu. The influence of these two points are so high that they have been taken as a Planet in Astrology.

Now Lets Discuss the Result of Rahu in 8th house for different Signs

Aries: Rahu in 8th house in Aries is not Good as Aries is ruled by Mars which is a enemy planet for it. Rahu in the Sign of Mars in a house that represents Accidents, injuries, Surgery etc can give you trouble from these in unexpected and Sudden manner. Rahu in Ashwini Nakshatra will give most Malefic result. When Rahu occupies the Aries Sign in 8th house specially in the Star of Bharani or with Venus it can make you Passionate about Love and Romance. You can go to any extent for Love. If this Rahu is connected with Sun or if it is in Krittika Nakshatra, it will be detrimental to well being of Father. But if Mars is well placed, the Malefic Influence will be much reduced.

Taurus: Rahu in 8th house in Taurus Sign is not very Bad as it is the sign of venus which is a Friend of Rahu. Some people also consider Taurus as the Exaltation sign for Rahu. It can give Poor conduct to you. Venus is the Planet of Materialistic Urge and Passion. Rahu will amplify that Passion within you and as 8th house is a Negative house, you will always look for Pleasure and Luxurious life. You may not even hesitate to waste your wealth on this account. If this Rahu is afflicted, it can give you

trouble from Insurance, Finance etc. But Rahu in the star of Rohini can give you benefit from overseas journey.

Gemini: When Rahu is in 8th house in Gemini Sign, it becomes exalted. But it can give instability of wealth. It will also be difficult to diagnose disease. As it is a Sign of communication, it can give you a tendency to manipulate and you will also face problem and difficulty due to this. But many results will depend on the Position and dignity of Mercury.

Cancer: The Placement of Rahu in Cancer Sign in 8th house is not good a Position as it is ruled by Moon which is an enemy planet of Rahu. Rahu in Cancer specially in a Negative sign like 8th house can give you habit of drinking. This is also not a good Placement for Mother. Your mother will be always worried about you. The 8th house indicates Sin and Cancer is all about Mind. So this Placement can give you Stressful Mind. But the Strength and dignity of Moon will alter the results.

Leo: Rahu in 8th house in Leo is better than Cancer. Leo is the sign of Fame, power and Authority. Rahu is amplification, Maya and illusion. So if this Rahu has got beneficial aspect and the condition of Sun is also good, it can make a person Politician, Film actor, Photographer etc. It will bestow lot of Fame and Authority to you. But if it is not well aspected, it is not a good position. It will create misunderstanding with Father, Seniors in Workplace etc.

Virgo: Some People consider Virgo as own sign of Rahu. It is the house of details and thoroughness. It will give you good ability to do research. If Rahu is conjunct with Saturn in 8th house in Virgo, it can give health problem. The health probelm will not be easy to diagnose. But if Mercury is well placed the ill effect will be much reduced.

Libra: Rahu in 8th house in Libra Sign is comparatively a better placement as the ruler of Libra is Venus which is a friendly planet to Rahu. It can give you Love relationship outside of your own caste. But it can give you Sudden outbursts of Anger. If Rahu is in Chitra Star, you can have relationship abroad. Capricorn: Now lets talk about the result of Rahu in 8th house in capricorn Sign. Fo Gemini Ascendant Capricorn becomes the 8th house and Rahu is in a Friendly Sign. It will not be a bad placement if Saturn is well placed. But it can give you some delay in your career. It can also give you traveling due to Work. If Jupiter is also placed in Capricorn with Rahu, it can give a Bad Marriage life and delay in Marriage.

Aquarius: Many People Consider Aquarius as the Mool trikone Sign of Rahu. So Rahu is quite comfortable in Aquarius. So though 8th house is a negative house, but still Rahu in 8th house in Aquarius sign will not give much Malefic result. If Rahu occupies its own Nakshatra Satabhisha it can give you better Success. Nakshatra because it is owned by Mars. 8th house Rahu in Aquarius can give you inherent Ego and Arrogance.

Planets That are important for Foreign settlement in Astrology

There are four main planets which helps a person to travel abroad or going out of own country-Rahu/Ketu, Moon, Saturn, Venus. We have to see these 4 planets and their dignities and connection with proper houses in Horoscope for going abroad.

Rahu is the Most important planet for travel abroad. If Rahu is well placed, it can give Foreign Travel in its Dasha. It can give foreign things but it can not guarantee satisfaction. When Rahu is conjunct with 7th lord, 8th lord, 9th lord or 12th lord, it can indicate foreign travel in astrology. Rahu in Lagna or 7th can also give travel abroad.

Moon being the natural 4th Lord, Moon is also equally important when judging Foreign settlement in astrology. According to classics when Moon is placed in Kendra(1,4,7,10) the person can travel a lot within country as well as outside of country. Moon in Watery sign specially when conjunct with Rahu can give foreign travel in astrology. Moon in 8th, 9th or 12th, specially exalted Moon in 12th can indicate foreign settlement in astrology.

If Mercury is placed in 4th, the individual changes his residence frequently and travel lot of places. The result will be more prominent if Mercury is placed in Movable signs.

We have to see Few Nakshatras also like Ashwini Nakshatra, Bharani Nakshatra, Ardra nakshatra, Swati Nakshatra, Pussya Nakshatra, Hasta Nakshatra etc while judging the foreign travel in astrology. Moon or Rahu in these Nakshatra will increase the chance of going abroad.

The Houses in Horoscope which are most important for Foreign Travel in astrology

12th house is the Foreign land. So This is the Most important House for Foreign settlement in astrology. If Moon is placed in 12th house along with Venus, this is a indication of Foreign Travel in astrology. If Rahu also Joins this conjunction, it

becomes a very strong indication of foreign journey. if there is planet like Saturn in 12th house, the individual will have a strong inclination towards foreign country. 9th House Signify fortune, Luck, Long Journeys or long distance travel etc. So this is another important house for foreign travel in astrology. When 9th Lord is placed in 12th house or Vice versa,it indicates that your Fortune is in Foreign land. A group of Planet like 4 or 5 planet in 9th house of 12th house is a strong indication towards foreign travel in astrology.

The Next important house is Lagna or Ascendant. Lagna is the self. Without the approval of Lagna nothing can happen in a Horoscope. So if Lagna lord makes a relation with 12th lord or Lagna Lord sits in the 12th house, it is a strong indication of foreign travel in astrology. If this relations happen in Watery sign Like cancer, Pisces etc or Movable signs like Libra or Capricorn the chances is very high.

In a nutshell we have to see Conjunction, aspect, Exchange between Lagna Lord, 9th Lord and 12th Lord. If these relations involves watery signs or Movable signs, the indications are strong. The more and strong the relation will be, the more will be the chances of foreign settlement in astrology.

But there is another important house which we have to Look and without the indication from this house traveling abroad is not possible. 4th House is the Home Land or own country. So any Affliction to 4th House or 4th Lord can give Foreign settlement. If the 4th house is Placed in 6th, 8th or 12th and 4th Lord is equally afflicted and there is relation between 9th and 12th house or their Lords, we can predict that there is high chance of foreign settlement in astrology. If there is planets Like Rahu/Ketu, sun or saturn in 4th house, the chance of Going abroad in astrology increases.

when the 4th house or the Lord is not afflicted or weak, the person can not leave his Own country. If there is relation between 9th or 12th but 4th house is very strong, chances for foreign journey will come but the native will not be able to go due some reason. If the 4th house is strong and connected with 5th and 10th house, the person will get good opportunity in own country and do not feel the need to go to abroad.

The are two more houses which also needs some attention. The 7th house and the 3rd house. 7th House also Deals with Foreign Travel. When 7th house is involved with 12th or Planets like Rahu/Ketu there can be Foreign journey due to Business purpose or Business Trip.

3rd House shows short Journeys or short travels. It is not directly connected with foreign travel always but it gives a tendency or inclination towards travel. If there is Planets Like Moon or Ketu is in 3rd house, the likes to travel a lot. If the 3rd Lord makes a relation with 12th lord and 9th lord by aspect, conjunction or Exchange it is strong Yoga for foreign Travel.

One thing we must remember that there is a difference between Foreign travel and Foreign Settlement. For Foreign Travel relation between 3rd, 7th, Lagna, and 9th in a watery or Movable sign is sufficient but foreign settlement in astrology can not happen without the involvement of 12th house or 12th lord.

But we must remember Jupiter should not aspect these combination. Jupiter aspect will block the chance of going abroad.

Great Luck In Foreign Countries

The Grass is always green in other side of the Road. But it is not always true. Lets see which planetary combination or yogas give beneficial result in foreign country.

The 11th house is the financial gain, and so if a person has the 11th house lord placed in the 6th house, the person has great luck to go abroad and work in foreign countries. We should not forget about 11th House from Arudha Lagna also. Arudha Lagna is our Maya or how other people see us. So quite often if you go to abroad people think you as a wealthy and rich person. So your 11th house from AL should be very strong for getting good fortune in Foreign countries.

If you have the 11th house lord in the 12th house you will have friends abroad.

If your Lagna lord or Ascendant lord is in the 7th house you will constantly travel abroad for your business purpose or for work.

In case you have few of the above mentioned Yogas, you can be lucky during foreign travel in astrology.

But if Malefic Planets like Rahu, saturn, Mars occupy the 12th house in Horoscope, though you will be able to go abroad but you will not enjoy the stay there. If Rahu is placed in 12th house, it is a strongest indication of working abroad, but it will be full of stress.

If Some one is having 4th lord conjunct with 5th lord and with Lagna lord and 4th house has lot of benefic aspect, such person will not be interested in going abroad. He will get lot of opportunity in his home land.

There are specific periods of time (ranging from months to years) in which a person has a peak time in foreign countries. After the ruling periods (dasha) of such planets end, your stay abroad will end and you will come back to your home country and will have to start all over again in your homeland. But by doing remedies you can prevent such things to a great extent.

Purpose of Foreign Travel in Astrology

Now Lets understand the answer Why a person will go to abroad ? Will the native go for education or Job or something else ? Lets find out the answer.

If there is a strong connection between houses and Lords of 5th, 10th, 7th, 9th and 12th house, the person may go to foreign Land for higher education. 5th is the house of intelligence and education and 9th is also the house of long distance travel as well as higher education. The related planets should be in Movable sign or in watery sign.The individual should run correct Dasha also. Connection between 4-5-7-8-9-10-

12 needs to be checked with Rahu, Saturn and Moon for checking Foreign travel for education purpose. What i have seen in practical cases that Jupiter involvement or presence of Saraswati Yoga is very beneficial in this regard.

Read: What is Saraswati Yoga

Now Lets understand in what Planetary combination a person goes to abroad for diplomatic service. For this we have to see the connection between Lagna-5-7-8-9-10-12 house and their Lord along with Rahu, Moon and Sun. Various Raj Yoga and Dhana Yoga should also be present in the Horoscope. Dasha of the connected planets can take them to foreign land.

When 7th house and its lord is connected with 9th house and 12th house as well as with their Lord there is chance of going to abroad after marriage. 4th house should be afflicted. Rahu and Significator of marriage Venus also plays an important role in this case of foreign travel in astrology after marriage. 8th house also to be considered and if it is a Love marriage, we have to include 5th house also. Venus is connected with 12th house or 8th house and Rahu in Rashi chart and Navamsa Chart (D9) this is a strong Indication of Foreign settlement after marriage astrology.

Some Specific Rule exclusively for foreign Settlement in astrology

As we told earlier that there is a difference between Foreign travel and foreign settlement. For Foreign settlement in astrology the role of 12th house and 4th house is most vital. In a most simple words i would like to say that a strong 12th house and a weak 4th house is needed for foreign settlement in astrology.

As it involves transfer of residence, the 4th lord must have affliction from two or more malefic planets like Rahu/Ketu or Saturn or sun etc. We have to check the

chartuthamsa or D4 chart also and should see the condition of 4th house and 12th house and their lord. Generally Rahu Dasha is most effective for foreign travel in astrology as rahu is the Mlechha Karaka or Foregn planet. Generally if we see a connection between the house or Lords of 12-9-8-6 in a movable or watery sign, we can predict that there is high chance of foreign settlement in astrology.
