Darakaraka (Spouse/Partner)

Darakaraka is the planet which has lowest degree in the chart which signify the nature of the spouse. Depending on which planet has the lowest n the natal chart the person get spouse according the planet nature. Depending on the condition of the darakaraka planet a person get result. The sign of the darakaraka planet play major role in explaining what kind of nature darakaraka planet have. If the darakaraka planets conjunct, aspected by other planets (whether planet is enemy or friend), if aspected or conjunct by friend then it going to help darakaraka planet and the person get good partner or it is enemy then it going to harm darakaraka planet and the person may get partner who will not be supportive. If the darakaraka planet retrograde, combust also affect and shows different nature.

As Sun is natural Atmakaraka, similarly Venus is the natural Darakaraka

Effects of different planets as Darakaraka

Darakaraka Sun

When Sun is your darakaraka, Your Spouse can be a person with good leadership quality, confident, steadfast and with high self-respect. The qualities of the Sun will be prominent in Your Wife or Husband.

Sun indicates Status, Ego and Position. So Darakaraka Sun also indicates Your Desire for a Partner from High Social Status and Position.

We have to see the Aspect of the Planets also during spouse prediction. If Sun is aspected by its friends like Mars, Jupiter, Moon, the partner will add value to the life of the native. But if it is aspected by its enemy like Rahu or Saturn, Your Life Partner will be unhappy.

Darakaraka Moon

When Moon becomes the Darakaraka, Your Life Partner can be emotional, caring, home loving and soft hearted. They will be very flexible. If Saturn or Rahu afflicts this moon, it will give the selfish tendency, meanness of mind etc.

If Jupiter aspects, it will give wisdom and knowledge to the person. Moon Rules our Emotions, Sensitivity etc. Moon is also Family Oriented Planet. So Darakaraka Moon will make your Partner Adaptable.

Darakaraka Mars

When Mars becomes Your Darakaraka Planet, Your Spouse can be very head strong and competitive nature. He/she will always be ready to fight. If Mars is afflicted by Planets like Saturn or Mars the dark side of Mars Like fighting, abusing etc will be more prominent. But if it is being aspected or conjunct by friends like Jupiter or Moon, it will show its courage and dynamism in good work. You will be happy with spouse.

Darakaraka Mercury

Mercury indicates a very talkative, friendly and Fun-Loving Spouse. Mercury is the Planet of Youthful energy. So Darakaraka Mercury will make your Spouse very Energetic and enthusiastic.

But this is not good for Loyal Partner. When you have Mercury as your Darakaraka, it can make your Partner very Fickle minded. He/She will not make commitment easily. They will always try to experiment something new. This tendency of Something New can Sometime drag them to relationship Outside Marriage also. When Jupiter aspects the Mercury, this tendency is controlled Largely.

Darakaraka Venus

When a Person has got Darakaraka Venus, the spouse will be very romantic, artistic and refined in Nature. He or she will be very much interested in Look and Beauty. This indicates that your Life Partner will be Very easy going and Friendly.

Darakaraka Jupiter

When a person has Jupiter as Darakaraka, the spouse can be very Loyal, religious, optimistic and status driven. You will be very fortunate Regarding your Life Partner with this.

This is also good for an Honest and Loyal Life partner. When you have Jupiter as Darakaraka, you will give More importance to the character of your spouse than look or any other things.

Darakaraka Saturn

Darakaraka Saturn Means Saturn has the lowest degree in your birth chart. You Will get serious kind of older partner who is very committed in relationships with Darakaraka Saturn.

It also means, With Darakaraka Saturn, you want a Partner With the qualities of Saturn. They are least romantics people but very loyal to partner. Saturn is the Planet of Maturity and Practicality. So, with Saturn as Darakaraka Planet, you can expect your partner to be very Grounded, Humble and Practical. But this Does not mean that you will always get an older Spouse or Life Partner. Your Spouse will have the Qualities of Saturn more prominent. Saturn as Darakarka mean Your Spouse Will be sincerely committed and dutiful. It is Good for long term relationship.
