“Balarishta and Yogarishta Last the age of 20 years” – Parashara Maha Rishi

There are several Groups for planets to to get activate, for example Venus 26th year is where Bhagya is get activated.

When person has venus afflicted by two or more malefics in the Rashi, But if the navamsa is Libra or Taurus, Person has done remedies in their past life. So will not suffer as much. Lagna in navamsa where your Bhagya is come from.

Why Navamsa?

- Parasara considers Navamsa to be the strongest divisional chart, besides the Rāśi (D-1) and
  - Saşthyamśa (D-60). - Jātaka Parijāta adds that the Navāmśa shows ones bhagya.
- Tradition: Navāmśa is the filter for the past karmas (D-60).
  - -D60 is the Sanchita Karma, or complete collection of karmas, whereas D9 shows the Prarabdha karmas which are ready to be experienced in this life.

What is it for?

Parasara:

- navamämnse kalatrānām
  "The 9th division shows spouse. "
- The navāmśa or D-9 is used to examine relationships, and specifically those relationships that are long term and lead to marriage.
- Rasi can hint at the events of relationships and marriage, but without Navāmśa we cannot confirm!

All Varga are different

- We cannot read any divisional chart the same way as we do the Rãśi chart.

  - Example: Lagneśa in 6th/8th/12th in the Rāsi (D-1) chart can show poor thoughts and ill health (provided kāraka-sun confirms).

  - Instead, Lagneśa in 6/8/12 in Navāmśā (D-9) shows one who is unwilling to marry!

Lagnesh in dushtana is Daridra Yoga, where lagna is like your supercomputer lagnesh is how you use that so, If lagnesh in dushtana it's lagna daridra.

More Results

- Exploring the interlinking of D1 and D9 we can find further differences in results.
  1. D1-Lagneśa in 6/8/12 in D9 makes a person skinny.
  2. D9-Lagneśa in 6/8/12 in D1 can give long term ill health and risk development issues.

Basic Principals

- 1 Rasi and 15 divisional charts make up the entire 16/sodaśa varga.

  - The 15 varga correspond to the 15 tithi. >learn more about Tithi.
  - These 15 varga are like visitors in our life (D-1).
  - These 15-varga are like the world deciding our destiny

-Viz. D-24 is your classroom, D-10 is your office, D- 9 is your marriage and dharma.

5th house they must listen to you and 9th house is you must listen to them.

Lagna of Varga

- The Lagna of a Varga shows our nature in that aspect of life.

  D9 is seen for Dharma and marriage, hence one's nature in both matters will be indicated by the D9 Lagna. This is the inner, true nature and description of the individual.

  - Viz. even the most cruel Scorpio Lagna in D1, will bea compassionate and considerate person if D9 Lagna is Taurus or Cancer.

- The Lagneśa of a Varga shows the attitude we have towards that part of our life. - If the D9-Lagneśa is in 6/8/12 one dislikes marriage

Where ever you have the Scorpio in the navamsa that's where you experience cruelty. And also where ever the Aquarias is placed it's where you feel lost
